

Sign Permit Application

Date filed: _____

Please Note: Article V of the Williston Zoning Ordinance established requirements for the erection, alteration, or reconstruction of signs. No sign can be erected, altered, or reconstructed without a permit issued by the Zoning Administrator. Signs must be in compliance with all applicable regulations.

Applicant: _____

Address: _____

Telephone Number: _____ - _____

Location of proposed sign: _____

How many signs are already displayed at this location? _____

What are the dimensions of the proposed sign? _____

If the sign is to be free standing, what will the total height be? _____

Will the sign be illuminated? _____ If so, how? _____

In the space below, please describe the proposed sign. Include its intended purpose (directional, real estate, commercial establishment, etc.). Also, describe whether the sign is to be front/rear/side mounted, surface mounted, projecting or other. Note whether the sign is to be permanent or temporary:
