Dear Resident:

The town of Williston is making changes to the town's household garbage and yard trash pickup. These new schedules will be effective starting the week of November 18, 2013. These adjustments are necessary in order for the town to provide solid waste services to our citizens more cost effectively. With these changes, we will now be able to pick up household garbage in two days instead of three days. Residential garbage will be picked up on Tuesdays and Wednesdays and yard trash will be picked up on Thursdays. See please the new residential garbage pickup schedule below:

Everything West (Aiken side) of Rosemary Street will now be on Tuesday's route. In addition the area that includes Batesboro, Oak Grove, Woodland Drive, Pine Cone, and the Lake Drive area will also be on Tuesday's garbage route. Everything East (Charleston side) of Rosemary Street will be on Wednesday's route. Thursday will be set aside for yard trash pickup.

If you have any questions, please call our Public Works Director, Mark Carroll, at 803-300-1247 or myself at 803-266-7015. Thank you for your cooperation as we make these important adjustments to the schedule.

Sincerely,

Kenny Cook  
Town Administrator
